

Subject: 2005 Joint ICSSC and Ka and Broadband Conference—2nd Call for Papers

American Institute of  
Aeronautics and Astronautics

# AIAA Event Update

## 11th Ka and Broadband Communications Conference and 23rd AIAA International Communications Satellite Systems Conference (ICSSC) 2005 (organized by IIC)

### ➤ 2005 Joint ICSSC and Ka and Broadband Conference—2nd Call for Papers

For the first time, the AIAA International Communications Satellite Systems Conference is joining forces with the Broadband Communications Conference:

23rd AIAA International Communications Satellite Systems Conference

and

11th Ka and Broadband Communications Conference

25-28 September 2005

Aurelia Convention Centre

Rome, Italy

Hosted by IIC

#### **2nd Call for Papers**

Papers are currently being solicited for both conferences! Important dates to remember are:

**Abstract Deadline: 10 April 2005**

**Acceptance Notification: 30 April 2005**

**Draft Paper Deadline: 30 June 2005**

**Final Paper Deadline: 30 July 2005**

#### **Submission Process**

Submit your abstracts using the online submission procedure available at [www.iicgenova.it](http://www.iicgenova.it).

#### **Meeting Paper Topics**

Technical topics for both conferences include:

- New mobile services
- New broadband services
- New navigation services
- Integration and interoperability of systems
- Communications protocols and networks
- Advances in satellite architecture
- Advances in satellite components

- Advances in Earth terminals
- Propagation and mitigation techniques
- Economic and marketing aspects
- Regulatory issues

Papers are also being solicited exclusively for the 23rd ICSSC in the following additional areas:

- New broadcast services
- New fixed-satellite services
- New data relay services
- Integrated services for disaster relief
- Interactivity via satellite
- Domestic security applications and architectures
- Military applications and architectures
- Advances in payload subsystems
- User applications

#### **Questions?**

Please address all inquiries about the 11th Ka and Broadband Communications Conference technical program, conference venue, and registration to **Clotilde Canepa Fertini** at [fertini@iicgenova.it](mailto:fertini@iicgenova.it).

Questions about the ICSSC 2005 technical program may be referred to **Jorgen Sandberg** at [techchair@aiaa-icssc.org](mailto:techchair@aiaa-icssc.org).

For joint conference details, visit [www.iicgenova.it](http://www.iicgenova.it). [\[more info\]](#)
