

The Postscript by the Editor

The H-IIA11 machine that put "Kiku 8" in December is seen and the symptom of recovery is seen .space relation.. Japan the schedule of the launch it.

Especially, the satellite communication with the blank for a long time became portable achieved, and it came to be taken up in TV and each newspaper "Kiku 8" schedule of going up of the wish it...

The manuscript was gotten a lot as before so and it became a splendid magazine.
